

# CERTIFICATE OF JAS APPROVAL

**EGGER Holzwerkstoffe Wismar GmbH & CO. KG**  
AM Haffeld 1  
D-23970 Wismar, Germany

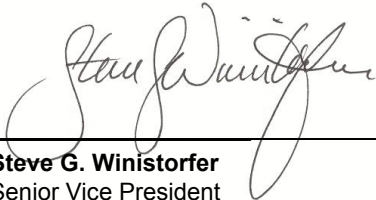

for

## Structural Panels (OSB)

The manufacturer listed above is certified under The Law Concerning Standardization and Proper Labeling of Agricultural Forest Products (Law No. 175 of 1950) – Date of Enforcement: March 1, 2006. The manufacturer has fulfilled PFS TECO's requirements, as outlined in PFS TECO's *Inspection and Certification Procedure* – JAS to manufacture certified Structural Panels (OSB) per Japanese Agricultural Standard (JAS) MAFF Notification No. 2904.

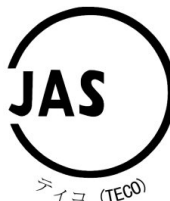

The approved product is certified as F-4-Star (F☆☆☆☆) formaldehyde emission.

PFS TECO operates a Type 5 certification scheme (ISO/IEC 17067) based on the following core processes: (1) Qualification testing of the manufacturer's product for conformance with the applicable product standards; (2) Qualification of the manufacturer's quality manual and assessment of the quality system; (3) Ongoing auditing of the manufacturer's quality system at specified intervals; and (4) Periodic product testing.
