

Millennium

So83

The Millennium texture reproduces the extremely smooth and uniform composition of red pine. Its flaming look creates beautiful visual effects through alternating levels of matt and gloss.

THICKNESS: 1 mm

More Sunshine (Elk, Poland)

By opening the living room and focusing on white matt surfaces the architects could enlarge the perception of the apartment. Millennium So83 Nagold with its natural appearance and deep structure adds an attractive twist to the white matt surfaces.

Cleaf Shaping Surfaces Winner September 2022
